Dear Mr. Rutledge:

The Kentucky Department for Natural Resources and Environmental Protection is continuing its efforts to clean up the Valley of the Drums near Louisville, Kentucky. We appreciate your cooperation and assistance in the removal of your drums during the initial clean-up. However, it has come to our attention that Reliance Universal may also be responsible for additional drums, code series 640-201 and 702-400. Therefore, we are requesting that you contact Bob Koentop (502) 588-4254 and send a representative to verify the identity of these drums.

We would appreciate your continued support in this matter. Should you have any questions, please feel free to contact Art Curtis at 1121 Louisville Road, Frankfort, Kentucky 40601, phone (502) 564-6716.

Sincerely,
